

WOUND CARE SERVICE

Our service:

- Basic wound care service is available for patients registered at the following practices:
 - Addison Road Medical Practice
 - The Firs Medical Centre
 - Claremont Medical Centre
 - Dr Dhital's Practice
 - Waltham Forest Community & Family Health Services.
- It is available 5 days a week (Mon-Fri).

The service will deliver:

- Routine post-operative, post-treatment removal of sutures, clips, staples and steri-strips
 - Closed post-op wound dressings
 - Open surgical wounds of a depth less than 2cm
 - Superficial wounds, such as lower leg wounds caused by trauma or insect bites
 - Superficial and superficial partial burns
- Any burns relating to children should be referred to the Urgent Treatment Centre

How to book into the service:

Bookings can be made via your registered practice or by calling 0208 223 9849
